AUGUST 2008

Exciting times for Remedy Recruitment – Due to expansion of our secondary division, Remedy Education are delighted to announce and indeed welcome our new consultant Brad Frankel. Brad has many years recruitment experience and brings a wealth of knowledge to the team . Brad will be covering the South East London and Kent geographical area and looks forward to meeting you all at our end of year drinks.

We will be moving very shortly to beautiful Georgian new offices based in South Woodford. We will be very near the underground station and it will be much more convenient for our teachers to come and register with us. Our new offices will be able to facilitate CPD and they will be run on a quarterly basis.

We are very keen to commence training and our first training session will be 'behaviour management' . Please speak to your consultant to ascertain your eligibility and to book your place on the session.
